

## Church Leadership Guide to Supporting Your Pastor

Fruitful Vine Ministry is committed to seeing ***healthy spiritual leaders who impact the world for Christ***. We believe a supportive leadership structure is important to reach this vision.

Fruitful Vine Ministry is available to come to your church for one to hours of interaction with church leaders to do the following:

- Conduct a brief and fun assessment on how well you know your pastor and his family.
- Provide a biblical foundation for pastoral encouragement.
- Identify the warning signs of a discouraged pastor.
- Offer practical ways to support and encourage your pastor and his family.
- Discuss how the church can be supportive to the pastor and his family.

If your church leaders are interested in inviting Fruitful Vine Ministry for this purpose, please email us at: [fruitfulvinemin@gmail.com](mailto:fruitfulvinemin@gmail.com) or send your request to: FVM 346 Hemlock Hills Drive, Franklin NC 28734.

We do ask that the church consider giving a gift of \$300 to Fruitful Vine Ministry to cover the expenses incurred. Flight travel costs should be considered as an additional expense.
